

# Vision and Mission Statement

## Vision

We will be an outstanding international school, continuously striving for improvement and engaging our whole community with the concepts of:

**Learning to lead   Learning to learn   Learning to live**

## Mission

We provide excellent British-style education with an international perspective, within a safe environment, where individuals feel secure, respected, valued, happy and successful.

### To Achieve Our Mission:

Our community of learners from many nations works together harmoniously. In a spirit of international-mindedness, we develop understandings of our own and others' cultures.

Our teachers, working with parents as partners, inspire in our students a love of learning, motivating and challenging them to become the best they can be.

Our students build personal and interpersonal knowledge, skills and values. In developing these attributes in an innovative environment, we expect our students to flourish, becoming balanced individuals with the potential to make a difference as principled leaders of the future.
