

THE BRITISH INTERNATIONAL SCHOOL OF JEDDAH

SECONDARY SECTION – TEACHER OF CHEMISTRY To Start August 2024

The British International School of Jeddah (BISJ), is recruiting a Teacher of Chemistry (possibly Head of Department) to join the Secondary School in August 2024. The ideal candidate will have prior experience of teaching IB Diploma Programme or A-Level Chemistry. Candidates must demonstrate a passion for their subject and the sciences in general and the ability to support and motivate students across the age and ability range to develop a love of learning and to achieve high academic outcomes.

The BISJ Secondary School provides an exciting place to work, delivering a modified UK National Curriculum at Key Stage 3, followed by Cambridge IGCSE in Years 10 and 11, culminating in the IB Diploma Programme in Years 12 and 13. Academic outcomes and expectations are very high and students consistently outperform the IB worldwide points average. BISJ is valued by the local, regional and international community with parents, students, staff and alumni having a sense of pride and belonging to the school. BISJ expects staff to contribute beyond their normal role or subject area both pastorally and through the provision of after school activities to support the vision of helping students to learn to live, lead and learn.

To apply, please complete the online application form available on our website (bis-jeddah.com) or contact the recruitment team (recruit@conti.sch.sa) if you would like to learn more. Applications will be reviewed as soon as they are received.

Please note that the school's status locally as an International 'Community School' enables work visas to be processed for 'western nationals' including United Kingdom, New Zealand, South African and Australian citizens. Unfortunately, BISJ cannot accept teachers with a trailing spouse or teachers over 56 years of age.

The school will appoint as soon as a suitable applicant is identified.
